You will be required to provide us with two named contacts during your event, one who should be there at the start and the other at the end and sign a form to accept the condition of the hall prior to your event. You will also be required to sign the form after your function. If it is likely that you will not be at the hall at the end of the function e.g., the bride and groom leaving early, please make sure that you nominate someone to sign in your absence and make this person known to the caretaker on the day/evening of your function. Failure to sign the form may lead to your damage deposit being retained.

CPCT takes every precaution to notify you of any damage in the evening. In some cases, particularly where the evening is busy, staff may fail to notice damage, and this may only be noticed during the following day. In these circumstances, a member of staff will contact you to provide further details.

8. Refunds and Cancellations

See Conditions of Hire (Sections 19 & 20) regarding cancellation fees.

9. Catering and Use of the Kitchen Area

If you intend to hire kitchen facilities for your function, please make note of the following conditions:

- (i) The Lounge Area's kitchen is available for use during the time that you request the hall. Use of kitchens outside such times is not permitted unless additional hall hire charges are paid. Use of the kitchen includes use of cooker, fridge & freezer. There may be other items such as a microwave and kettle which can be used if available. If you require additional refrigeration equipment this can be brought in on the day but must be taken away on the**

day. CPCT will try to ensure all equipment & facilities are in good working condition however there may be times that due to events out of our control where some equipment or facilities will not be available. Staff will try and inform you in advance of any defects however CPCT are not liable for any issues that may arise from this.

- (ii) Where the hirer intends to appoint professional caterers to provide food services, the hirer must ensure they have seen proof of the caterer's public liability insurance to cover the caterer, their staff, and the hirer's guests against such eventualities as damage to property, injury to persons and claims from third parties such as becoming ill following food consumption. The minimum acceptable cover must be no less than £1million. CPCT's Public Liability cover applies to hall letting agreements but companies must provide additional cover where kitchens are being used. It is the hirer's responsibility to ensure they have this information if needed.

If you require the use of the kitchens, please be aware that you will need to leave the premises clean and tidy, including bagging up and clearing all rubbish, foodstuffs and packaging to the paladin bins provided. You must also ensure any fridges, ovens, microwaves, and freezers are cleaned and clear of any food. You must also leave the floor clean including sweeping & mopping. You are requested to provide your refuse sacks and any cleaning materials for this purpose. A charge may be made for the clearance of excess rubbish, or the removal of oil or food products left, **creating a blockage in the sink**, after the event.

10. PRS and PPL

The Performing Rights Society (PRS/PPL) works on behalf of artists, record companies, musicians, composers, and publishers to ensure that all royalties due on copyright are paid. A fee is payable for any booking where music (live or recorded) is played, with the exception of family or domestic gatherings e.g., wedding receptions, birthday parties, etc. Fees vary depending on the nature of the event and are incorporated in the charges table, where applicable. For current fees, please contact the booking office.

11. Layout of Hall

To ensure that the layout meets our health and safety requirements, you will be required to submit your plan for the tables not less than 14 days before your event. The staff are familiar with the range of possible options for seating and layouts and will try to assist you with planning your layout if required. **Failure to complete a hall layout form 14 days before your event may result in the layout you**

require not being suitable or available due to health & safety concerns, and should you not be on site, the caretaker will not be able to put out any tables and chairs before your arrival. Please note that the caretaker does not start until the time you have booked, so furniture is not laid out in advance.

12. Noise and the Neighbours

The hall is equipped with a noise-limiting device to prevent noise pollution. The device has been pre-set by the local Council's Environmental Services Department to maintain good relations with our neighbours. Please advise providers of your music, e.g., DJ/band, etc., accordingly. Please ensure all guests leave the premises quietly.

13. Child Protection Policy

Hirers must ensure that anyone serving alcohol, paid for or free, must not serve alcohol to anyone underage. When selling or serving alcohol, there must be a Challenge 25 policy in place. Adults must ensure there is adequate supervision and that children under the age of 18 are not given any alcohol.

For hirers who wish to organise activities for young persons under the age of 11 years (except those events which are of a private family nature), you will need to be fully aware of your responsibilities for protecting children under your control. To continue with any hire agreements and/or to renew existing agreements, you will be requested to provide an update of your policy and/or confirmation that you will adhere to the CPCT policy. Failure to return a bona fide response to a request for Child Protection information may lead to your booking being rejected.

14. Young people's parties/discos

For safety and security reasons, people are not allowed to book parties for young people aged between 11-17 at the Anerley Town Hall. Parties booked under false pretences will immediately be stopped with no refunds and the damage deposit withheld. If you are planning to use a bouncy castle, you must ensure that it meets our height restrictions, which will also affect the number of people the hall can hold, and hirers must inform the office if they are planning to have a bouncy castle. Hirers are responsible for ensuring the bouncy castle arrives and leaves within their hire time.

For parties for ages 18-20, there will be a damage deposit of £1000, and proof of age will be required.

15. Licence

CPCT does not allow the hire of the halls for any commercial purposes where tickets are openly on general sale to the public or on social media. ***The only***

exclusion to this is that it is being used for a specific charitable event where the hirer must show evidence of this to CPCT's manager.

In instances where the hirer is for a charity/fundraising event and evidence has been provided, then you need to apply for a licence; the cost of this is £50.00.

The licence can only be applied for directly to CPCT Management and would need at least 30 days' notice before the date of the booking. Failure to do so will result in the cancellation of the booking and loss of deposit.

Please note that bars must close **1 hour** before the finishing time to allow a drinking-up time.

Please note that only applications via CPCT will be accepted, and CPCT reserves the right to refuse a licence without giving reasons. If CPCT finds the hirer has given a misrepresentation in obtaining a licence, the event will be cancelled, and all monies retained.

Halls - CONDITIONS OF HIRE

Upon submission of an application, CPCT will determine the suitability of the premises requested and, subject to that, will process your application and return an invoice for the relevant fee plus charges for additional facilities or services. All bookings taken are only for the specified areas indicated on the booking form, unless with prior written agreement. CPCT can choose not to accept a booking without reason.
