## Would you like to run activities in the new centre?

We are calling for 'Expressions of Interest' for use of the 'Old Library' Centre at Anerley Town Hall.

The Old Library Annexe refurbishment is due to be completed by Summer 2019 and we anticipate it will be available to book from September 2019. We invite individuals and groups who wish to use the space to express their interest in doing so between Mondays and Fridays. Consideration may be given to proposals for use on Saturdays.

The building is primarily a Children, Young People and Family Centre - a safe, neutral space with no territorial affiliations, accessible to all who might wish to use it, including participants in activities and the providers of those activities.

We are keen to attract partners and providers aiming to work with these groups. The building can accommodate several users at once and we would like to see a variety of different providers using the space. Initially we will also offer the space for hire on Saturdays and Sundays for birthday parties for children under 12 finishing before 5pm.

We need some details about what you would like to do within the space as we move in to planning an activity programme so please visit our website for more information or e-mail [development@cpct.org.uk](mailto:development@cpct.org.uk) to find out more and complete the form

## If you would like to see the space..

Come and see the Old Library Project in development – 'hard hat' tours are being arranged on Wednesday 5<sup>th</sup> June between 10 and 12 – for prospective users of the space, members of the community, partners and generally interested parties to see the progress being made.

Please contact Elaine Harrison – [development@cpct.org.uk](mailto:development@cpct.org.uk) to book a space.

Please note you MUST book your space as we cannot accommodate casual drop in for health and safety reasons.
